THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear:
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black,
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by
And that has made all the difference.

Mr. Philip Spence, Principal

A strong individual, our principal guides our school through times that inspire and mold the future, and what it holds for each one of us. He is a friend and confidant to all the RHS student body. With his help, the school will continue to be run, as it always has, with a sense of responsibility and pride in our youth.

"But is it really, truly true?"

Have you ever stopped to wonder,
Or took time to guess;
Will you ever really fit in
There without the rest?
Does it ever cross your mind
Just what you want to be?
Where you'd like to live,
Or what you'd want to see?
Do you really want to make it;
Leave your friends behind?
Do these things ever bother you?
Does it ever cross your mind?
Won't it seem so different,
Seeing no one you know;
All strange and different faces,
Everywhere you go?
No one to really confide in
To tell your troubles to
No one who understands you —
Tell me what you'd do.
Would you ever take time to notice
The beautiful sun that shines?
I wonder, then, would it matter —
Will it ever cross your mind?
